Dear Sir/Madam,

I am writing to say how much pleasure Ronnie Barker, Ronnie Corbett, David Jason have given me and my family over the years. We especially love "Open all Hours" and watch the episodes over and over until the video tapes wear out!

Years ago, the children used to enjoy watching the two Ronnies in a programme called "BY THE SEA". Unfortunately, the video was BETAMAX so we no longer have it.

"By the Sea" and "The Picnic" (I think) had no dialogue but grunts and slapstick. We used to laugh until we cried at their antics.

The reason I am telling you all this is to ask you if it's possible to bring those programmes out on video or DVD, just as you did with

"Open All Hours" and "Porridge."

We would certainly buy it and it would make a super birthday or Christmas present to people of all ages.

Otherwise, you may consider showing it again on television.

If you did decide to do that, I would love to know when it would be on, so that I can record it.

Yours faithfully,
Kaye Nesbitt.

K. NESBITT (MRS)
