By bus

A number of buses service the Westminster area. You can find further information on travelling by bus on Transport Direct, or from London Travel Information on 020 7222 1234.

By train / underground

The nearest underground station to the three HQ buildings is St James Park (Circle and District Lines). Westminster, Victoria and Pimlico are about 15 minutes' walk or a bus ride away. Victoria is the nearest railway station.

By bike

Secure cycle parking is available at Great Minster House, by prior arrangement with your host. Great Minster House also has shower/changing facilities. Public cycle parking facilities are available close to Southside and 55 Victoria Street. Information on cycle route information in London can be found on the London Cycle Network website.

By car

There is no staff or visitor car parking available at our buildings. Limited parking is, however, available for mobility impaired drivers by prior arrangement via your host with the appropriate building manager.

On foot

For central London walking routes, see walkit.com

Travel news

Transport Direct's travel news covers both car and public transport.

Video conferencing

An integrated video conferencing service is available within the Department for Transport. If you think this might be appropriate for your meeting, please contact your host for further information.
