I am very happy to give you my opinion of BBC, I am disgusted with BBKA which uses the BBC name, it is full of repeats, repeats repeats, they cancelled the most popular show in America "The East Enders"and caused thousands of fans great anguish, and depression, so we 15,000 are boycotting BBKA, and we will not return until the EE does, we my family, only subscribed to Direct TV just for the EE, so we are waiting for a very enlightened station to pick up the program where Lisa came back to the Queen Vic, that was the black day BBKA cancelled the show,.thank you.
