

To Whome This Concerns

In my weekly Mag
I received a leaflet about our say
about BBC.

Well I can honestly say
that there is too many Repeats
Most of all that there is not
so much ~~foot ball~~ on BBC AS
SKY has got it all.

On Saturday you get the
results and all so on Grandstand
you may now again get some results
why tell me why should SKY
get the 70K

I cant not afford SKY
and dont think it fair that people
like my self should be left out
there one hundred like my self
can not afford SKY

There not much of Saturday
after all it want next to put
a foot ball match on.

We had more foot-ball on 5
than BBC 1.

Yours Sincerely

Veronica Bates
