

Dear Sir,

with regards to Songs of Praise.

We, also lots of our friends used to enjoy the programme very very much but sad to say none of us do now. We greatly enjoyed the Salvation Army Hymns of Praise because most of the songs & choruses are known. These days instead of personal testimonies we get a lot of chat chat not too interesting.

Trusting these comments will be noted & action will be taken.

God Bless you

Yours very sincerely
Maurice & Louise Bird
& lots of others.
