

Dear Minister,

I am writing to you
hoping that you can bring
some common sense to
BBC & ITV, I have written
to them to be ignored,
~~more than once, why~~
when the News is being
read or someone is taking
drums are banged and
weirdest of music is
played, the RNID tell me
that they complain to no
avail. One can only assume
that this is studied in
~~media studies at universities,~~
the Broadcasting outputs
must be peopled by
complete cretins

Yours sincerely

~~Mr~~
K. R. BREWER (MR)
