

4.3.04.

Dear Sirs,

If you need a break  
after a programme, please bring  
back the Beautiful Balloon,  
floating serenely over our very  
own wonderful countryside, a  
few seconds restful break.  
No point at all in these hard  
black & red colours.

Please give us some

PLEASANT programmes. Many  
are sick of murders, guns & bombs  
& sex.

Sincerely

Joan Brewer
