Dear Sir/Madam,

I have ~~to~~ seen the BBC Survey.

Here are my ~~reply~~ responses;

- ① What I value most about the BBC;
News, Current Affairs and Wildlife.
- ② What changes would I like to see?
More boxing, arts and Music.
Shut down all but one, or two, Digital channels. Improve content on those channels.
- ③ Should BBC run Commercial services? Yes.
- ④ How should we pay for BBC? Abolish the Licence fee. Disestablish the BBC and make it truly independent of the Prime Minister and State.
- ⑤ BBC Organisation needs to be improved by better management and more commercial.

Yours faithfully,

Andrew Casey
