

Yours B.B.C.

I am interested in modern Technology - too old -
Don't use Radio have C.D's of my choice to
listen to of nothing on T.V. as being housebound
I like something to listen to in background. I
could count on one hand B.B.C. programmes
I regularly watch & nearly 75 which - why
I think you should do as ITV & earn your own
money - How do you get your money for Quiz
e.g. Wheel of luck? - as I believe ITV get it
by phone ins.

I am sure you could manage if you were more
frugal & not wasteful as it's not your money it's
public money - As I don't trust yours or Parliament
accountability -

My son-in-law worked for T.V. & said you could always
tell when B.B.C. were filming as there were more people
than ITV

Y remain

P.S. Why is it most firms have seen odd to run
privately not B.B.C. the biggest fiddle the lottery.
