To Whom It May Concern,

I am writing to express my disappointment with BBC America. I subscribed to Direct TV satellite for the express reason of being able to receive BBC America in order for me to view EAST ENDERS. However EAST ENDERS was canceled this past September, and we are left with garden shows, changing rooms, more garden shows and even more changing rooms. Oh and i forgot to mention, they are all repeats, the same show is repeated at least 3times a day. To say i am disappointed is putting it mildly, i'm not sure what's the point of BBC AMERICA anymore. The only reason i was a loyal viewer and did not complain about the endless repeats of the same boring shows was because they provided me with EAST ENDERS. However since there is no more EAST ENDERS ON BBC AMERICA, i have canceled my DIRECT TV satellite.

I hope that my email along with all the other emails you will receive will facilitate the return of our beloved EAST ENDERS.

sincerely,

Alexis Carter
