

Charter Review Consultation  
2-4 Cockspur St.  
London.

Dear Sir / Madam / Ms.

In response to your  
consultation I would wish the BBC  
to continue in its present form

I applaud its Commercial  
Enterprise and would praise the Radio  
Times as the best magazine of its  
kind.

I have full and excellent  
value for my licence fee by the  
time the "Today Team" leave the  
studio.

Please please insist the  
Politicians leave the BBC alone.  
Everything they re-organise they make  
worse.

The BBE is not broken so  
don't fix it!

Yours faithfully

G M Egan (Mrs)
