Dear Sirs,

Reference your recent leaflet re the BBC Charter Review, I would just like to make the following comments, re T.V.

1. Less programme repeats please.
2. Less background music during plays, which drowns out the dialogue.
3. Less programmes sending presenters overseas
4. More musical shows, i.e. Big Bands' 'Songs from the Shows', Old Time Music Hall' etc.

Re the Licence Fee - the present system for paying this seems the simplest, but feel that it should be reduced for all pensioners, not just the over 75's.

Also, I would mention that our local Radio Station, Radio Gloucestershire is very good.

Yours faithfully,
M. Gardner (Mrs)
