

6 BBC

CHARTER REVIEW CONSULTATION

1) VALUED MOST

IMPARTIAL - UNBIASED WORLD andNATIONAL NEWS. VIEWS. EVENTS.COMMENT. DEBATE. POLITICS. ARTS.NATURAL WORLD. SCIENCES. ENGINEERING.ARMED FORCES. ROYALTY. CEREMONY.CLASSICAL MUSIC. CLASSICAL DANCE.CLASSICAL BALLET. CONTEMPORARY DANCE.THEATRE. OPERA. RECITALS. LIGHT MUSIC.CHURCH & CATHEDRAL SERVICE. AND RELIGIONS.

But the publicly funded BBC

should not be competing in "popular"

areas - such as Pop Music which can

be and is adequately covered by PRIVATE

companies and Radio &amp; TV stations.

Pop Music (Radio 1) has now encroached

onto Radio 2 &amp; Radio 3. That should stop

because it is DUMBING DOWN the Media

2) DIGITAL - yes the BBC must adopt

new technology -

P 10

### 3) COMMERCIAL SERVICES ?

ONLY IN NICHE OR SPECIALIST AREAS  
That are uncommercial / unprofitable  
The BBC should NOT compete commercially

4) The LICENSE FEE should remain  
unchanged BUT

5) REGULATION must be by OUTSIDE BODY

6) ONLY BY OUTSIDE / INDEPENDENT  
REGULATION can the BBC be run  
fairly & honestly & also be ACCOUNTABLE.

7) THE BBC has (in effect) become  
an POLITICAL ENTITY

The BBC, today, is a left of Centre -  
LIBERAL LEFT Ideological body  
that actively promotes its own ethos.

The BBC is being used as an  
PROPOGANDA MACHINE with almost  
unlimited funds provided by a  
discern franchised public (Milche Cows)

The BBC should be de-politicized and  
better Quality Assured.
