Dear Ms Jowell

The BBC does a very good job in respect of its web sites and its news and information is excellent. It may some times get thing s wrong but don't we all we are just human after all. As for the licence fee, well we receive local radio , national radio, and TV. remember who helped save freeview the BBC and its partner Crown Castle. As member of your party here in Blyth Northumberland , I say leave well alone.

I have known Ronnie Campbell, MP, since I was 16 years old I am coming up to my 58 birthday we both worked at Bates Pit together, Ronnie does a good job as our MP for Blyth Valley.

Regards
Malcolm Neslund
