FOR CHILDREN

Registered Charity No. 1041258

Dear Sir Madam Review of the BBC 12/3/04

As a small NGO serving severely deprived children in the developing countries we feel it is crucial to retain the present services offered by the BBC. The present funding system through License Fees is the best form of funding.

We have benefitted from a Public Service Appeal. We believe independent and impartial services are essential. Copy line BBC. Dr. R. Parsons.
