

B.B.C.  
London.

Dear Sirs,

I have been asked to comment on the service provided by the B.B.C. Firstly may I say how much I enjoy all the coverage that you give of National & Royal events. Sport is especially well done & I regret the loss of the Boat Race. The News is in my opinion well presented but I would like more pictures of the doings of the Royal Family.

On the down side I am appalled by the language in some plays & features by people who should know better. The documentary, wild life & history programmes are excellent.

I greatly deplore the violence which is shown. The argument so often given that free expression must be given to

me is feeble. Violence, bad language, explicit  
set does no-one any good & can harm the  
vulnerable. It is merely pandering to our  
baser instincts which we all have. I cannot  
~~express~~ this strongly enough. It is such  
a pity that it takes place when so much  
worthwhile topics are shown.

I fully appreciate that the P. B. C. has  
an impossible task & cannot please  
all the people all the time but  
PLEASE do "keep higher standards. I  
wish you success in your efforts

Yours truly  
Joil Sloman

General & other Election broadcasts are
