

Dear BBC. Your Staff

Hh.  
March 4 2004

No more T.V. Licence

No more spent on T.V.

More wildlife on T.V.

No more sex + violence movies after 9.30 PM,  
and not on Friday and weekends

We pay more for T.V. Licence so what we  
pay now there nothing for the younger viewer.  
But a load of sex + violence.

No more Big Brother and thing like that  
get me out of here and sales, there  
should be more on, gardening and wildlife

<sup>the</sup> BBC. Should not run a commercial service  
there are too many commercials on T.V.  
at the moment.

Yes there should be more greater say on  
what is on T.V. Now.

there should be more health adverts.

MISS E. THOMPSON
