

MR. A. WASSALL

Dear Sir/Madam.

WITH REF TO BBC

CHARTER REVIEW AS I SEE IT

The dramatic fall in

moral standards the increase

in violence on our streets the

increase of H.I.V. and AIDS plus

the increase of bad & foul

language simply stems from

what is seen on T.V.

and in the media

may I call on the

Director General to ensure that

all programs are properly

researched to give strict

and proper guidance to such

programs.
