Dear Sirs,

Chester Renewal

- ① BBC should still be paid for by licence or Taxation.
- ② Too much Sport or Entertainment  
- more factual items needed
- ③ Regional programmes good but BBC North East supposed to cover Cumbria but not as well. (who covers Isle of Man?)
- ④ Should continue to sell DVDs, magazines but feel toys should

be in shops.

- ⑤ Stop recent tendency in 1 pm news (Radio 4) of having one topic only - wish to hear rest of news - national or other.

Yours faithfully  
M.G.C. Wyatte
