

MIC & MRS. ANDERSON

1.3.05.

Dear Sir,

As long time fans of BBC1 & 2 our criticisms are as follows:

1) We always feel that News, Current Affairs programmes are biased to the left.

2) Repeat programmes on a Sat. evening Peak viewing time i.e.

March 5th Ch. 2. 7.45 Gardeners World (Repeat)
8.45 Around the World (Repeat)
in 80 Tr.

And then a whole evening on Pakistanis! Channel 1 was Comic Relief again (far too much of it) plus that Eurovision rubbish. Why can't we have a good drama, detective, movie, or Comedy? Often Ch. 4 is preferable to the BBC these days.

3) Too many Ads & Trailers for other items, sometimes it worse than ITV.

We feel that the licence fee is far too high for the quality of progr. we are getting at present.

Yours sincerely,
Mabel & Mike Anderson.
