

Easter Sunday,

27.3.05.

B.B.C. Charter Review.

Dear B.B.C.

Following notice in today's "Sunday Times"

- "Your B.B.C. Your Say."

I am a B.B.C. fan. Try not to miss the 6 o'clock NEWS with George Magliak(?). He has replaced Michael Berk who has retired. Both these men have excellent diction & pleasant personality & can use voice to express so many different situations. Fiona Bruce also - top woman newscaster.

As I am over 81, diction is important and a sense of humour can brighten my day. I live alone.

I rarely miss "East Enders" & have watched from the beginning. It is made here in Bl Wood & I have been over the set. I am not from East End of London but from N.W. London. Have lived in Bl Wood over 50 years.

I do like a good PLAY. The recent E. Gaskell - wonderful. Any Jane Austen, Brontë, Trolope. Also Graham Greene, Pinter, Westler. Judge John Deedes. - so good. How I miss John Thaw & Morse.

I do not like ² "little Britain" or any of the modern "humour"? I hate garden & houses & make-overs. But love Gardeners World (Monty Don)

Sports. I love Rugby & follow England matches. Will enjoy Chelsea football. My family all Chelsea supporters & two sons played Rugby.

I like Archaeological programmes. Excavations & so on. History programmes.

Humour. Not much these days. No Hancock or Ronnie Barker.

Music The Proms. As me. Last years "The Planets" - best ever.

Politics. Am Blair/Brown fan & enjoy interviews. Paxman superb. Question time has got a bit boring.

Royalty Watch all big Royal events & shall watch Charles & Camilla's wedding. Am in favour of it.

Sorry, I have rambled on & have probably forgotten something but I have done my best

Yours sincerely
Ida Castle.
