From: Mrs. D. Cleaves,

Dear Sirs,

In response to your advert titled 'Your BBC, Your Say', I am writing to let you know that in my opinion EastEnders always has been & always will be the best T.V. Programme on the B.B.C.

I have spoken to several family members and friends who all agree with me. Every generation of my family, including my 11 & 12 year old sons won't miss an episode.

We have all grown up with this soap and I think that for most adults, the soap is a starting point for an evening of T.V.

I have spoken to several friends who agree that Wednesdays are boring because we can't get our evening fix of EastEnders! It makes me very →

angry when T.V. critics describe it as a 'struggling soap' when, even at its lowest, it still pulls in over 6 million viewers! That's a hell of a lot of people!!

I also enjoy Holly City, Little Britain and any of your good crime dramas (ie. the ones usually shown in 2 parts).

However, Eastenders will always come top on my list!

Yours Sincerely,

Debbie Cleaves
