

Dear Sir or Madam,

Why should I & countless millions
pay for a service that is there to
give us service to the elected
government at the Any time,
The Labour or Conservative
When your Money (B.B.C) comes
from the Paymaster General
they have to toe the line
or risk losing their Mandate.

They have seven retired footballers
hosting football focus Sat afternoon
nice job if you can get it &
know someone that knows someone
I pay for that overstaffing
if they can afford this waste
they should stand on their own feet.

There's no advertising on B.B.C
look again closely at the Soaps
like East Enders & the Sunday
advertising another ten years
for paying for the Old Boys
Club at the B.B.C no wonder
people like me don't vote anymore
your as bad as the Conservative

Yours Sincerely

M. J. Cowan
