

Dear Sir / Madam.

BBC 1 + 2 have too many boring programmes, for instance BBC 2 Wednesday 10.30 Numbers (R) Politics House in vacuum Castle in the country. Bargain spotting Ready steady Cook Weakest Link Hogtrot Master Chef too many house programmes DIY. all so boring and a lot of films shown are Pre 1970 and mostly repeats; if a lot of people could buy a TV. without BBC 1 + 2 they would not only that they wouldn't have to pay licence, but they just wouldn't have BBC:

M. Crompton.
