

A. H. DAVIES

The BBC Charter Review Consultation
Dept for Culture Media & Sport

28.5.05

Dear Sirs,

Please note that I am totally
opposed to the involvement of any
commercial interest in the BBC

The BBC has a proud and unique
position of independence.

My only reservation is that
some reporters and others do not appear
to appreciate their heritage and allow
themselves to be used politically.

Yours faithfully

Anthony H Davies
