

Sirs.

15<sup>th</sup> Am 05

REF ENCLOSED.

PLEASE Bring back or request those WONDERFUL plays you produced year ago as SATURDAY NIGHT THEATRE. As a sight impaired OAP in 80th year - have yet to come up to this pleasurable listening (or watching T/V) 1 1/2 hours of professional performances. Oh! how I miss them - any chance of hearing some of them again?

Yours truly

E Eldridge
