Dear Sir-Madam.

I have been a license payer for at least forty years and I assume in that time much of my fee has gone toward development of new services.

I therefore think a refund of my money is due as I am only able to receive B.B.C.1 B.B.C.2. ITVI. SAC. Please can you explain why I am paying the same fee as the rest of the country but only receive a fraction of the programmes.

Yours faithfully

M. A. Harries
