Dear B.B.C.

Being profoundly deaf please
can the B.B.C. do some thing
about subtitles on T.V, I find
they are very bad, some times
they repeat the words that have
just been said, and they do not
go with what is being said
by the people, then they go off,
come back all wrong this is
going on all the time. not only
with B.B.C T.V programmes 1,2,3,
with T.V as well

I am a volunteer worker
for "Link Centre for Deafened people
of Eastbourne and Kate Adie
is one of our patron's

2
When I go round to talk to deaf
people, a lot of them say please
can we do some thing about
Subtitlle on T.V.

So please help us.

Best wishes.
