

In reply to the  
advertisement in The Times of 31 March

I should like to say how  
much I appreciate the BBC "religion"  
programme on Easter Day.

I am in my 91st year and  
lonely - as cannot get to  
church. It made all the  
difference to <sup>see</sup> the programme on  
Radio 4 (well Cathered) + BBC on  
[the Parish Church]. I am very  
grateful to all concerned.
