Dear Sir,

I saw your notice, yesterday. I'd like to say a few things. I am a pensioner, on my own, seeing no body. I rely on my Telex TV, and the Week ends are terrible, sport until Millionair comes on! Mostly I like the Antique programmes, Hogit, etc, I love Comedy, 'like as time goes by', I hate Westerns, murders, travel, sea, food, educational, I love gardening, art, soaps when they are understandable!

I'm sure lots of ladies would like better things to watch.

yours,

Betty,
