New Sit or Madam

What we would like from the BBC

- 1/ MORE Variety Shows. (Like Palladium Shows)
- 2/ Comedy (not silly like some on to-day)
- 3/ Bowls + Ice Skating, Football, Rugby all sports (less)

Sweetening + Four language Films

Sex Films

Murder Films

Violent Films

Being Pensioners we spend a lot of time watching TV (do not have sky or Telewest)

The old Films and shows were good and no bad language but today all the Films and writers only seem to know rude words, incest, guns, murder, sex,
