

24/5/05

TO: BBC CHARTER  
REVIEW

- ① THE BBC IS REVENED AROUND THE WORLD: IT SHOULD NOT FUNDAMENTALLY CHANGE
- ② THERE IS A NEED TO CRITICISE MAINSTREAM VIEWS: E.G. FALLING RETAIL SALES ARE REPORTED WITH GLOSS. FROM A SUSTAINABILITY ANGLE, THEY ARE PROBABLY A GOOD THING
- ③ THE CORPORATION ALSO TAKES AN UNCRITICAL VIEW OF THE EUROPEAN UNION
- ④ YARDS & FEET SHOULD BE USED, NOT METRES
- ⑤ PROGRAMMES SUCH AS TOP GEAR DO THE CORPORATION IMMENSE HARM
- ⑥ CONTINUE TO CHECK ON ANY PRO-LONDON BIAS IN NEWS & CURRENT EVENTS
- ⑦ SPORTS & OUTSIDE EVENTS COVERAGE IS MOSTLY EXCELLENT

⑧ MANY POLITICAL FIGURES ARE  
UNIMPORTANT & UNINFLUENTIAL, &  
GET GIVEN FAR TOO MUCH  
AIR TIME

⑨ LANG USE PLANNING ISSUES  
ARE RARELY EXPLAINED

⑩ POPULAR MUSIC OF ALL KINDS  
IS SERIOUSLY UNDER-REPRESENTED ON  
TV.

Yours faithfully,

D. E. Matheu
