

DAVID NAPPER

16.3.05

Dear Sir,

I am all for the BBC
being able to continue &
to pay my licence fee.

The BBC should forget
the ratings & make good original
programmes without gratuitous
sex and violence. It should
set standards NOT follow them!

Sincerely

David Napper

Ps.

PLEASE stop the BBC
making documentaries
with intrusive "background"
music! It is not necessary
& is most annoying !!
