Dear Sir

As an O.A.P who struggles to pay the ridiculous high licence fee of over £120 a year I wonder where the money is spent because nowadays because all we seem to have is RAILTY PROGRAMMES (PLEASE leave these to CHANNEL 4 and send ANTHONY MORTON BACK) and repeats of RAILTY COMERS, FORTS & MONS etc excellent though these comedy programmes are.

Perhaps I am exaggerating but when I heard BBC 3 & 4 were being introduced

I was expecting a lot more
reasonably cultural programmes.
What has happened for
PC4 FOR TODAY which used
to happen weekly years ago

I would have thought BBC 4
would be the ideal slot for
this.

It was so refreshing to
see MR MARVE & LIGHTS AT CANOE
on BBC 1 over Easter (2 halves
in this weeks Radio Times) without
sex, violence and swearing which
seems to be the norm nowadays

Also do we have to
have so many American
films which all seem to
consist of bad speech, etc
the only time we
seem to have British films

• ~~at~~ in the afternoons

I appreciate that you do show some of the Proms on BBC 4 during the season but I do feel that there could be more classical music on BBC 2

It's a great shame that you have lost all the cricket from next year. I think that it is scandalous that the I.C.C. think only of money and not the faithful public.

In summary if we could we please have less of these band reality programmes and more drama

theater

Productions

Yours faithfully
