The BBC Charter Review.

Dear Sir,

I welcome a chance to air my likes & dislikes on the BBC. I have wide interests, & my favourite current programme is "Flag it". I find many people agree. I should like to see more

Opera & Ballet. Also more tennis. (When it comes to tournaments - so many names are unfamiliar.)

Finally - I loathe your interval 'displays' - Why not some quiet rural scenes?

Yours faithfully,  
(Mrs.) Eleanor Tedcastle.
