Dear Sir/Madam,

I would like to see 'The Oprah Winfrey Show' on the BBC. Currently on the cover of Good Housekeeping magazine, on her website, in her magazine 'O', Oprah is everywhere except on TV, be it terrestrial/Sky/Cable/Otherwise, in the *whole* of the United Kingdom. I know, I have searched. I can only view the Oprah Winfrey Show when abroad. The show is educational, intelligent, responsible, inspirational, spiritual, fun and absolutely the calibre of the BBC. I and my friends and family are huge fans. I very much hope you can air the 'The Oprah Winfrey Show' in the not too distant future.

I am very much enjoying Vanessa and Gaunty on 94.9FM BBC London and have spoken to Vanessa on the phone! Little Britain and Doctor Who are also fantastic. Radio 4 as always, a saviour.

Please can you send me a Green Paper Questionnaire? I do not wish to complete it online as the questionnaire is not secure (the padlock does not show) and you cannot type into the Questionnaire and print it to post it.

Thank you for taking the time to read my letter.

Yours sincerely,

Sophie Wade .

Sophie Wade (Miss).
