Dear Reader Sir/Madam

PLEASE DO NOT 'DITCH' No pun INTENDED  
GROUND FORCE - it is a brilliant, lovely  
programme, very interesting and worthy of watching  
it is extremely popular!

What you should cut out is the nasty  
filth, and negative violence, and all the other  
totally unwholesome things.

Jerry Springer 'the Opera' really took the  
proverbial biscuit.

Yours Deeply Concerned
