MR. J. A. WALL

Reference CHARTER PENSION

Dear Sir or Madam.

I am writing
in response to the advert in the
mail for the public to have their say
about the BBC.

I worked for the BBC in Radio
from 1974 to 1987 and enjoyed it
very much and found it to be the
most interesting job I have done.
The big divide between the high
standards they have and the very low
of Commercial Stations, BBC still
means quality programming may it
last a long time. I do hope the
Radio improves R1 & R2 to go back
to the light Programme with more comedy.
R3 & R4 to improve, more Plays -
more of interest format more lively presenters.
BBC forward. Yours Sincerely
A. H. H. H.
