Dear Sir or Madam,

Programme Content I find ok ~~we~~ are both in our Sixties my wife and I.

What we find annoying we have a free view box BBC Signals Breakdown all the time.

I have a digi Radio and the same mainly at night Radio 4 / 5 ETC BREAK-DOWN IF they want the Viewers and Listeners

2/1
lets have a Decent
reception from the
BBC for all services
they get the licence
fees. Talk Sport
and the Commercial
broadcasters seem to
be able to provide
freeview and digital
signals ok.

Mr & Mrs
G Wilson

P.S.
I WAS GOING
TO CONTACT MY MP
OVER THIS MATTER
