

Mon. 28 Mar. 05.

Dear Sir/Madam:-

During recent weeks I have sent letters to BBC T.V. Centre Shepherd's Bush which have found their way to Glasgow. I have no idea why. I asked for some past sit-coms, all excellent, to be shown again or it is impossible for me to say whether BBC Glasgow will consent to this.

I would very much like to see again the following sit-coms, but not at some unearthy hour at night. As follows:-

The Brittax Empire	You Rang M'lord?
Butterflies	Ever Decreasing Circles
Hi-de-Hi!	As Time Goes By
Are You Being Served?	Waiting for God

All are quite excellent. May we see again the Alan Ayckbourn plays you showed some time ago. They are marvellous.

Thank you very much.

Mrs. May Wilson
