

A Woodhew

Having seen your advert in
the paper I am taking this
opportunity to write to you about
B.B.C. Television programmes.

I must say that the B.B.C.
has really got bad, the programmes
are either repeats or just awful.
Nothing much new has been shown
for a long time, the best recently
was the Bruce Forsyth dancing
series, other than that its the
same old things like Eastenders
which is on for ~~too~~ after
so is Holly City, Casualty, Doctors

ARE TALKING, I THINK ITS RUDE
MANNERS. PLAYING MUSIC? WHEN
PEOPLE ARE SAYING SOMETHING.
