

MARCH 13th 05.

LISTEN TO ME my VOICE or should I say words. Are a vast majority view. As a nation we lie down and except everything. We are supposed take is horrific events as a matter of course. We are supposed to be numb or is it in one ear out the other.

Daily now we are bombarded by pure mind blowing degrading media stuffs broadcasted available at the push of a button ruin our minds sole destroyer stuff. Yes we know about the real world as is. Depraved

I know its has its distressing effects on me alone. Solid low than low stuffs. Bringing us feelings of anger. What happen light entertainment. Whats in the heads of these thriller crime writer's its a comp to be the most outrageous all in the name of money. Where is the Power of uplift

P.T.O

Healthy stuffs to Promote Possibility
Thinking. Everything is savagery
Please tell us happen successful
stories. Doom + Gloom the Norm.

Bring so joy into our down -
trodding lives.

I'm a nobody quite timid oh yes
we all have Epic lives - suffer ups
+ down's... But you're making us
a nation living in fear intimidation
spiralling downward.

Techno Villence.

Everyday is a struggle for us all
shifting, decision, making, and
spotting THE good guys in all
walks of life from the bad, the con's
the scam's. IT'S all about MONEY
SOLES - respect. Dignity
SOLD IN THE NAME OF
MONEY.

Freedom of Speech or rights
taken away. NO PRIDE Britain.
NO TURNING back now.
We have no faith law order broken
down
