Dear KBC.

I would like to have my say, in what I would like to see on the KBC-TV.

I am speaking on behalf of quite a few elderly people who would like to see some Musical Entertainment, there is absolutely nothing to suit their tastes.

I suggest the programme organisers should tune into German TV. Friday & Saturday nights. We & a few friends can get these programmes & the entertainment is so

varied with singing, dancing
outside broadcasts etc.

We think the stars are so
friendly & in touch with their
fans, people hand them
single roses & flowers
while they are singing &
nobody bothers! No front man
keeping the fans back & the stars
smile & keep singing.

(Ask Chris de Burgh, Bonnie
Tyler, & many other Brit Artists
love it!) All age groups
sing. The dancing is
superb. The outside broadcasts
go to villages, castles,
lakes, anywhere & the stars
don't mind getting wet when

is raining, or snowing
It also acts as a tower
promotion!

Needless to say there are
some weeks when its not so
good (but not many) So come
on give us Musical Variety!
- NOT GREAT HIGHLY TITLED STARS
IN A ONE-OFF EXTRAVAGANZA.

Sincerely Yours.

Wanting Music

P.S. KIDNAPPED was OK, but
did your production team
really go any further than
Edinburgh, to look for location
I think not, Sutherland, Ross.
is marvellously mixed. However
they must have fancied a holiday in NZ.
