Dear Sir or Madam;

My complaint is
the Three Musketeers of
snooker that is John King's
Willy Thorne, & Dennis Taylor.

They cannot keep
quiet for whilst the players
are on the table, for one minute

I would like to
watch the game as the
audience does in silence,

We don't want know
what happened in Dublin
or Ireland, or even want to
know what shot the players
are going to do next, can we
watch it peacefully please

Sack Em and send em
