My say as I help to pay your wages
and some of the so call presenters.
football why so many so called experts
on each match same with snooker
and Athletics the likes of Clive
Balwin turn up on any item,
Ann Robinson she must be giving
you back handed bargain hunt boxes
under the hammer. trading up. Cash in the
flag it. and many more garden programmes
you must be making a fortune in
back handed from so call actors
& actresses. but not from me as
I won't buy a T.V licence. until
you change.
