ELECTRICITY ACT 1989 (SECTION 37 AND SCHEDULE 8)
TOWN AND COUNTRY PLANNING ACT 1990 (SECTION 90)

Application by National Grid for consent to install and keep installed a new section of 275kv electrical line above ground east of Bramham substation in the district of Leeds and Selby

The Electricity Generating Stations and Overhead Lines (Inquiries Procedure) (England and Wales) Rules 2007 (the Rules) apply to inquiries into applications under section 37 of the Electricity Act 1989.

This registration form is for completion by anyone who wishes to participate in the inquiry. The information provided will assist arrangements for programming the inquiry. Your entitlement or ability to participate in certain stages of the inquiry process may, in some circumstances, depend upon having returned this form. You are therefore advised to return it by the date specified below. Please refer to Appendix 1 to the Guidance for Participants for further detail (in particular paragraphs 15 – 16 and 53 – 55). **Please note that entitlement to appear at the Inquiry is determined by the Rules (Rule 15) and returning this form may not automatically guarantee the right to appear.**

Please complete this form and return it to Gareth Leigh at Department of Energy and Climate Change, 1 Victoria Street, London SW1H 0ET by no later than 11 February 2009. [email: gareth.leigh@decc.gsi.gov.uk]
