

NOTIFICATION OF THE “OFFSHORE TRANSMISSION GO ACTIVE” DATE

The Secretary of State commenced the powers in sections 90 and 91 of the Energy Act 2004, with effect from 19 June 2009, to make modifications to the industry codes and licence conditions that he considers appropriate for the purposes of offshore transmission. The Minister for Energy wrote to industry code and licence owners on 16 June 2009 attaching those modifications and requesting they publish them on the “Offshore Transmission Go Active date”.

The Secretary of State has confirmed that the “Offshore Transmission Go Active” date for the new offshore transmission regime is 24 June 2009. This is the date from which the modifications take effect and the date on which industry code and licence owners are to publish those modifications.
