dissertation option) or Competency form annex

A full Infosec career record/ CV supporting your
assertions that you have been in HMG policy for
three or more years and an outline of your
current role

Supporting statements from two Supporters

Date and sign this application form

It is important to keep all your paperwork as anonymous as possible. Please refer to yourself only once by name at the start of each document and for the remainder of the document use "the Candidate". Any paperwork not following these guidelines will be returned for correction unmarked.

Once accepted into the Scheme, you will be required to complete the work within two years. When submitting your dissertation or competency form annex, it is your responsibility to ensure that it is sanitised as far as possible and does not exceed a Restricted marking. The Scheme accepts that under exceptional circumstances above Restricted marked material may be submitted. You will receive a note detailing your acceptance on the scheme and a unique candidate number, shortly following by an invoice from Cabinet Office for the £95 Registration fee. In order to retain your anonymity to an examiner, please only add your name to your submission in a form that is easily removable (e.g. a covering sheet).

I have read the above and consent that my contact details be held by the ITPC Scheme, for the purposes only of Scheme correspondence.
