

List of central government websites to close – current as of 11 January 2007

It is essential to note that the closure of a URL (web location) does not imply that the service/s or information available there are being shut down. Only out of date and irrelevant information is being removed, with other material transferring to a much reduced list of Government websites. Please see the wider Cabinet Office press release for details and reasoning.

List of central government websites to close – current as of 11 January 2007

It is essential to note that the closure of a URL (web location) does not imply that the service/s or information available there are being shut down. Only out of date and irrelevant information is being removed, with other material transferring to a much reduced list of Government websites. Please see the wider Cabinet Office press release for details and reasoning.
