Dear Colleague

Thank you for registering for **Public Safety in Complex and Built Environments** course.

We would expect delegates to have completed the **Introduction to Civil Protection** or **Introduction to Crowd and Public Safety Management** courses.

In order to get the most out of the course please read the information below and prepare for the course as suggested.

1. **What to do now:** review the events for which you are responsible and discuss them with colleagues from various parts of your organisation and other stakeholders. You may also find it helpful to review your organisations crowd public safety management..

If you are unfamiliar with the field of civil protection, please go to our Civil Protection pre-course work link and read the information provided.

If you are unfamiliar with crowd and public safety management, please go to our Crowd and Public Safety Management pre-course work link and read the information provided. There is no requirement to complete the associated task sheet.

2. **What to bring to the course:** all course materials will be provided.
3. **How the course is delivered:** the course will be based around presentations followed by group and individual exercises that will help you apply the concepts to your own situation. The emphasis at the College is on highly interactive courses and you will be encouraged to share experiences, ask questions and explore issues in the interests of you own learning and that of other delegates.

Please do not hesitate to contact our learning support team if you have any queries.
We look forward to seeing you at the college.

Yours faithfully

Learning Support Manager
